

The Portable
Security Solution
for Display Merchandise.

Alpha POD's™ provide easy & versatile security for your display merchandise

Alpha POD's are:

- Portable** ▶ Alarming POD™ Modules are self-powered, so there is no hard wiring necessary. The unit's five-year battery life makes POD's the easiest display security available.
- Alarming** ▶ A 95 Db alarm provides early theft detection if merchandise is tampered with.

- Deterrent** ▶ A LED light on the front of the Alarming POD™ Module and Sensors provide the added benefit of visual deterrence.
- Flexible** ▶ POD's easily mount to slat wall, pegboard, wire grid, or a counter top.

Alpha POD's™
Easily customized to secure any number of high-shrink display items based entirely on your merchandising needs.
