CableLok™

Our CableLok's are flexible enough to secure almost any large or small item with a handle or opening. Open merchandising gives your customers the freedom to move around the store without the assistance of a sales person. Stop thieves without compromising your customer's experience.

S3 CableLoks Provide:

- Security for just about anything in your store
- Tough one piece design
- Portability and reusability
- Alarm-Secured Technology 
 - Early detection with amplified alarm (95 Db)
 - Strong visual deterrent with flashing alert

Patented S3 Key

One small, secure, simple-to-use key unlocks the entire line of S3 products.

CableLok is also available with 3 alarm technology. 3 alarm provides early detection, EAS protection and alarming security beyond the boundaries of your store.
